Sikh Council UK is saddened to hear the news that Bhai Jagraj Singh Ji, founder of Everything13 and Basics of Sikhi has passed away today (20.07.17).

The Sikh Community around the world, not just the UK, has lost a great pioneer who brought Sikhi to millions of people around the world through his YouTube videos and charitable work.

Bhai Jagraj Singh was a great supporter of the Sikh Council UK. General Secretary of the Sikh Council UK, Gurmel Singh, said: "It is deeply saddening news about the passing of Jagraj Singh today and all of our prayers are with Jagraj Singh's family in this truly difficult time.

"He has been an inspiration for millions around the world and his contributions to the Sikh Community cannot be underestimated or forgotten. He was tireless in his efforts to spread the message of Sikhi to everyone through his videos and he touched many hearts with the Guru's message of love and tolerance.

"Jagraj Singh was very much a Panthic personality and brought together Sikhs of different Jathebandi's onto the same platform.

"It is important for the Sikh Community to continue to support initiatives such as the Visitor Centre in Amritsar and Basics of Sikhi through which Jagraj Singh's legacy will live on.

"I would like to offer our condolences on behalf of Sikh Council UK and all of our members to Jagraj Singh's family. We will support them in anyway we can."

Further information on Bhai Jagraj Singh's funeral arrangements will be provided by Everything13 in due course.
